*Your generosity
made a difference*

FINANCIAL UPDATE – THANK YOU

Thank you to everyone for your continued giving, support, and generosity to Cashiers UMC especially during this unprecedented time of no public worship. Many of you have found a new way of giving through our secure on-line banking process with VANCO. Others have found that giving through your own bank account ‘bill pay’ works for you, and still others like to write and mail a check to the church. Whatever your way of giving is - thank you!

Your continued giving has allowed us to keep most of the staff employed and the church operational through this time. We have even been able to help with outreach needs in our community and with our missionaries who we support as their work continues.

Because of COVID, our Mother’s Morning Out preschool program was suspended in March. We do, however, hope to have it open again in August which will put all our employees back to work. We are really looking forward to having the little children back in the church again! This ministry is important to our church and the community.

We appreciate your continued giving and support of CUMC. Even though we are not physically in each other’s presence for worship just yet, our hearts and faith bind us as the family of Cashiers United Methodist Church.

“For where your treasure is, there your heart will be also.” Matthew 6:21

Thank you from CUMC’s Finance Committee
