AMAZING GRACE

Imagine coming to the house of a friend who has invited you over to enjoy a meal. You finish the delicious meal and then listen to some fine music and visit for a while. Finally, you stand up and get your coat as you prepare to leave. But before you leave you reach into your pocket and say, "Now how much do I owe you?" What an insult! You don't do that with someone who has graciously given you a meal.

Isn't it strange, though how this world is running over with people who think there's something they must do to pay God back? Somehow they are hoping God will smile on them if they work really hard and earn His acceptance. But that's an acceptance on the basis of work. That's not the way it is with grace...

God smiles on us because of his Son's death and resurrection. It's grace, **amazing grace.**

You have been saved by grace through believing. You did not save yourselves: it was a gift from God. It was not the result of your own efforts, so you cannot brag about it.
Ephesians 2:8-9
