

Mother's Morning Out Fall Newsletter

Greetings to our MMO Families,

I wanted to give you an update on what your children are learning now that we are one quarter through the school year as we are so excited about their progress and growth as preschoolers.

We work everyday on letters and numbers. We have many ways of reinforcing what they are learning through writing them, counting, games, puzzles, and songs. The children are also learning their numbers and colors in Spanish.

We spend a great deal of time reading and sharing books. I encourage you to read to them as every child loves it. Thank you for your help by buying Scholastic books. We received many new books which the children are enjoying.

We go to music two times a week with Ms. Betty who is teaching them wonderful songs full of motion and fun. Not only are we learning new songs all the time, we are working on our listening skills, rhythm, and learning to play simple instruments.

Ms. Diana teaches them stories of the Bible in *Godly Play* each week. This hands-on curriculum helps the children learn and remember the stories better. Ask your child about *Godly Play*—they love it!

The hardest challenge we are learning is to share, but each child has come a long way toward this difficult concept.

Dress Up Day on Halloween was fabulous!! All of the children loved it. We trick-or-treated through the church offices to gather the candy and show off our costumes. Look for pictures on our facebook page, church website, and local paper. If you have any old costumes, we would love to have them for dress-up during playtime.

Just a heads-up that we will be off on Monday, November 12 for Veterans Day. We will however be open the Monday and Tuesday (November 19 and 20) before Thanksgiving to help parents. All children can come both of those days, just please let me know if they not your regular days and you plan to attend.

As we enter this season, Ms. Yvonne and I are very thankful for your children and being able to have them as they grow each day!

We hope you and your family have a wonderful holiday.

Ms. Susan
