Overcome Evil with Good

Do not let yourself be overcome by evil, but overcome (master) evil with good. Romans 12:21

As a Christian, you can resist the enemy and overcome evil by having an aggressive, power-packed attitude. You can release positive spiritual power that will always conquer negative power. But it doesn't happen automatically. You must take a spiritually aggressive position and stand your ground.

Dealing with people requires a different approach, however. You are to treat people with dignity, respect, and love. For myself, I had to learn how to be a "lion-hearted lamb" – spiritually strong in dealing with the enemy and meek and gentle in dealing with people.

Being good to people will require that you walk in love, which is an effort that always costs you something. But people who are spiritually powerful always walk in love. It is God's way of overcoming evil with good. And it is well worth the effort.

Prayer for Our Children and Youth

Almighty God, heavenly Father, bless us with the joy and care of children and youth. As a church family, give us calm strength and patient wisdom to nurture our children and youth, that we may teach them to love whatever is just and true and good, following the example of our Savior Jesus Christ. Amen.

Praise and thanksgiving for...
